CELEBRATING NEW CONGREGATIONS

ADOPTED by the General Assembly

WHEREAS, we the members of the Christian Church (Disciples of Christ), affirm our call as a Great Commission church to actively invite people into relationship with Christ (Matthew 28:19);

WHEREAS, nearly half of the U.S. population, and nearly two-thirds of the Canadian population is not in relationship with any community of faith;

WHEREAS, 65 percent of the U.S. population does not live near a Disciples congregation today;

WHEREAS, it is the vision of the Christian Church (Disciples of Christ) to be a faithful, growing church, that demonstrates true community, deep Christian spirituality and a passion for justice. (Micah 6:8);

WHEREAS, we embrace the 2020 Vision, and the audacious goal of establishing 1,000 new congregations by the year 2020;

WHEREAS, countless individuals have dedicated their lives as New Church Planters to respond to God's call on behalf of Disciples, despite personal sacrifice;

WHEREAS, more than 140 congregations have been formed since the year 2000, representing the highest rate of growth in congregations since the 1920s;

WHEREAS, Disciples continue to demonstrate unprecedented commitment to partner with one another throughout the life of the church to support the launch of new congregations;

THEREFORE, LET IT BE RESOLVED, that this Assembly, meeting in Charlotte, North Carolina, October 17-21, 2003, enthusiastically welcomes and celebrates these newly initiated congregations:

Disclaimer:

Any time a list of this nature is printed there are omissions and additions. This list is our current, best estimate of new congregations printed for the General Board on July 18, 2003. Since that printing there will likely be a number of additional new congregations, and several that may have closed (our current success rate still exceeds 80 percent). A congregation is counted as new when it has a church planter, actively engaged in gathering a community of faith in a community.

This list includes new congregations that have begun gathering since January 2001 and have continued to meet as of July 2003.
